Topic 3: INTEGRITY IS THE CORE OF WELL-BEING

“Indeed, Allah will not change the condition of a people until they change what is in themselves.”

- Al-Quran, Ar-Ra’d: 11 -

The Importance of Good Governance

Good governance is:

- A critical aspect for the prosperity and progress of a country.
- It directly impacts the well-being of the people.

Concrete governance planning can lead to transparency, accountability, inclusiveness, and effectiveness. These contribute to a civil, democratic, and well-functioning administration.

Human governance

Corporate Governance

Definition of corporate governance:

“*According to High Level Finance Committee Report (1999), corporate governance is defined as the process and structure used to direct and manage the business and affairs of the company towards promoting business prosperity and corporate accountability with the ultimate objective of realizing long-term shareholder value while taking into account the interest of other stakeholder.*”

Human Governance

"Human Governance Human refers to being human. Being human means being guided by a common set of principles inherent in every human being (Salleh and Ahmad, 2010)".

ETHICS in life

- Ethics are the study of what is right and wrong, what is good and bad.
- Individual ethical principles guide decision-making when faced with different choices.

Understanding

A CORRUPT'S MIND(*MINDSET*)

Reasons for an individual to commit corruption

VENAL'S MIND

Why did I take bribes?

A victim of the situation and fear of being stranded

Through the examples of leaderships

The 'once got away, forever got away' mindset

Frustration syndrome

Ambitious and greedy

For survival

CORRUPT'S MINDSET

WHY DID I TAKE BRIBES?

- If I don't take it, someone else will.
- In today's modern world, it's hard for me to refuse. Today we can refuse, tomorrow we don't know. After all, I didn't ask for it. They are the ones who want to give.

CORRUPT'S MINDSET

AMBITIOUS AND GREEDY

- I want to be as rich as the previous officer.
- He can be rich, why not me? Opportunity only comes once.

CORRUPT'S MINDSET

A VICTIM OF THE SITUATION AND FEAR OF BEING REJECTED

- If I don't take the bribe, my colleagues will shun me.
- I don't want to be rejected. So, to make my life easier, I had to accept bribes.

CORRUPT'S MINDSET

THROUGH THE EXAMPLES OF LEADERSHIPS

- The boss is the same. I follow the boss.
- If they are corrupt, why would I want to be a good person?

CORRUPT'S MINDSET

THE 'ONCE GOT AWAY, FOREVER GOT AWAY' MINDSET

- The first time you got away with it. Second time. Third time. So far everything is fine. Dare to do dare to bear.

- If I get caught, I will expose all the evil activities in this department.

CORRUPT'S MINDSET

FRUSTRATION SYNDROME

- It's not fair for me. I work hard. But, when it comes to promotions, he is the one who gets it. He's lazy, yet he's a bootlicker.
- Even if I work hard and clean, no one will ever notice.
- Working sincerely does not make you rich.

CORRUPT'S MINDSET

FOR SURVIVAL

- Nowadays, if you don't do bribery, it's hard to get a project.

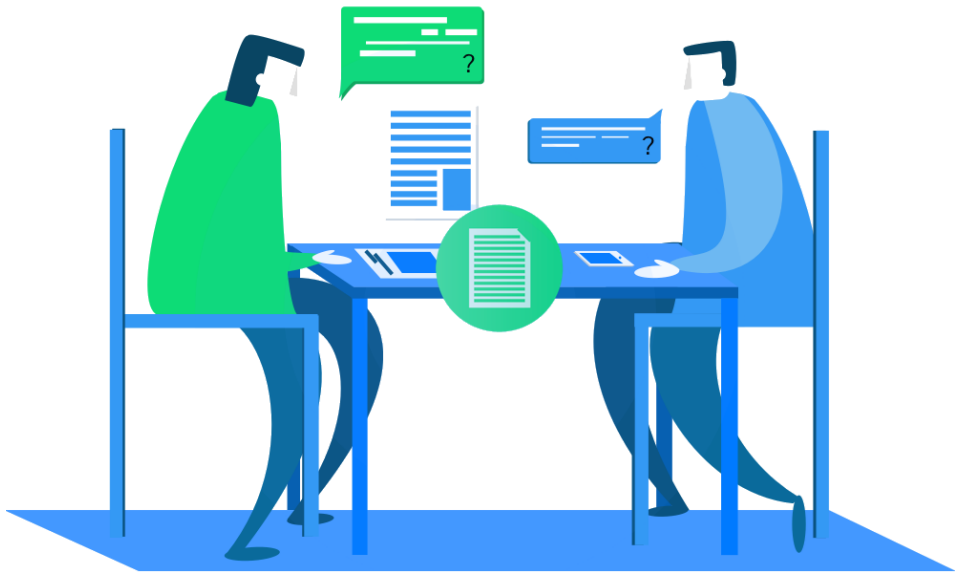

- Being a government employee pays low. Especially living in the city. If there is no side-income, it is difficult to live.

HIGH RISK FIELDS

BE CAREFUL IF YOU WORK IN THIS FIELD

CONTRACT AND TENDER

Integrity issues that commonly happen

- Receiving commissions/gratuities
- Abuse of power for personal or family benefit

PURCHASE AND SUPPLY

Integrity issues that commonly happen

- Excessive purchases
- Supplying low-quality goods and disregarding the contract specifications
- Deliberately increasing prices
- Payment schedule according to personal convenience and biased to a specific provider
- Overlapping payments for the same item
- The order is broken into small pieces
- Abusing funds
- Tendency of making purchases in haste and without planning
- Intentionally creating the need for a service/work/purchase
- Payment made but goods not yet delivered

ENFORCEMENT AND SUPERVISION

Integrity issues that commonly happen

- Using power for personal gain
- Uncontrolled exercise of discretion
- Taking advantage when dealing with customers who are facing problems
- False overtime or deliberately contrived overtime
- Skipping work
- Not complying with department rules
- Not supervising the duties of subordinate officers
- Threatening customers for personal gain

OFFICE PROPERTY AND ASSETS

Integrity issues that commonly happen
