REPORTS & ANALYTICS

For Learner

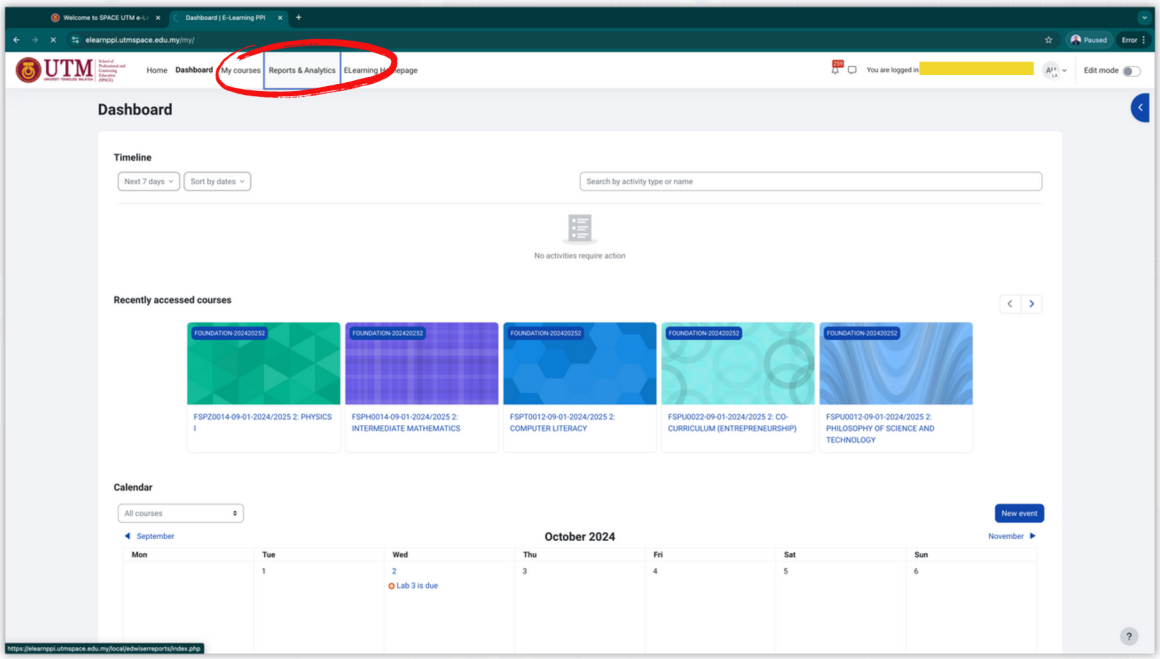

PRELIMINARY STEPS: COURSE ACTIVITIES

Ensuring the Status of the Activities

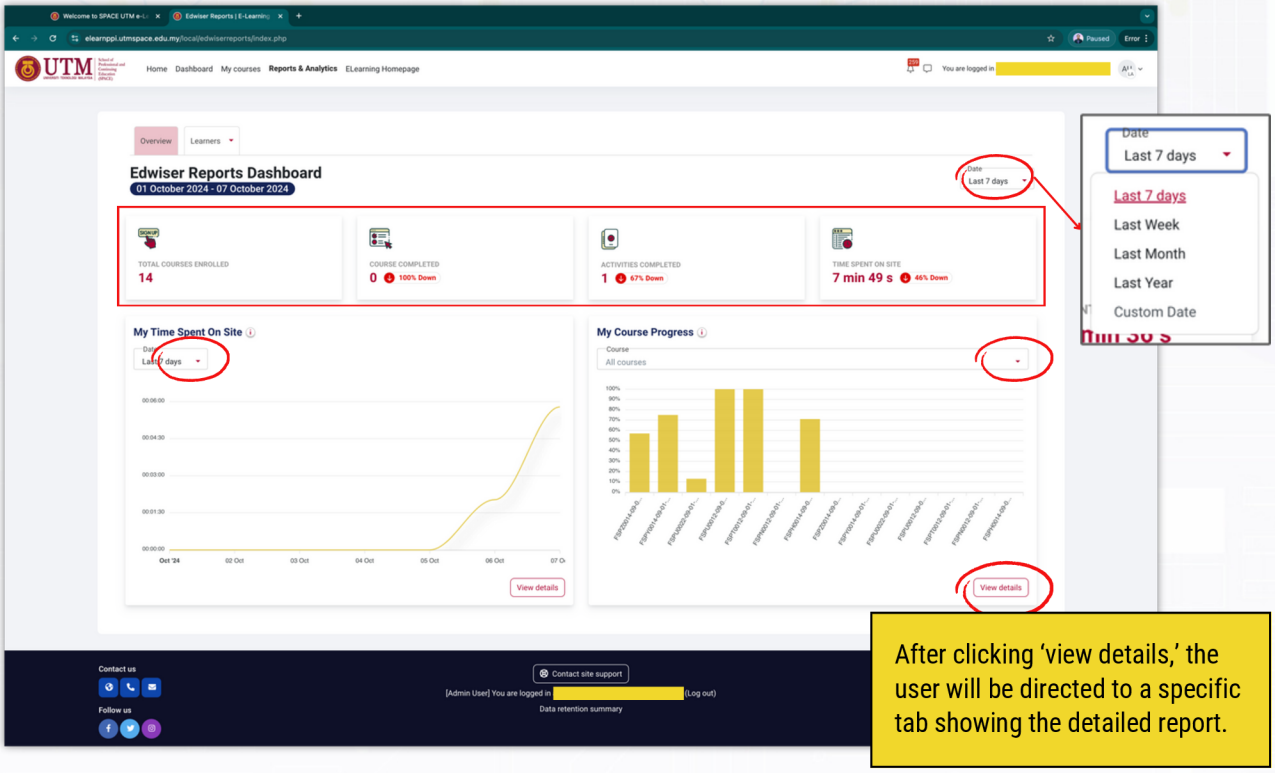

E-LEARNING DASHBOARD

After completing the preliminary steps, learner can proceed to Reports & Analytics. Once you log in to your respective e-learning platform, you will see the dashboard. Locate Reports & Analytics on the navigation bar at the top of the site.

OVERVIEW

This is an overview of the user's Reports. A data summary of the **total courses enrolled**, **courses completed**, **activities completed**, and **time spent on the site** is displayed at the top of the dashboard. The user can use the dropdown menu to filter the view based on specific details they want.

Additionally, two activity highlights are provided.

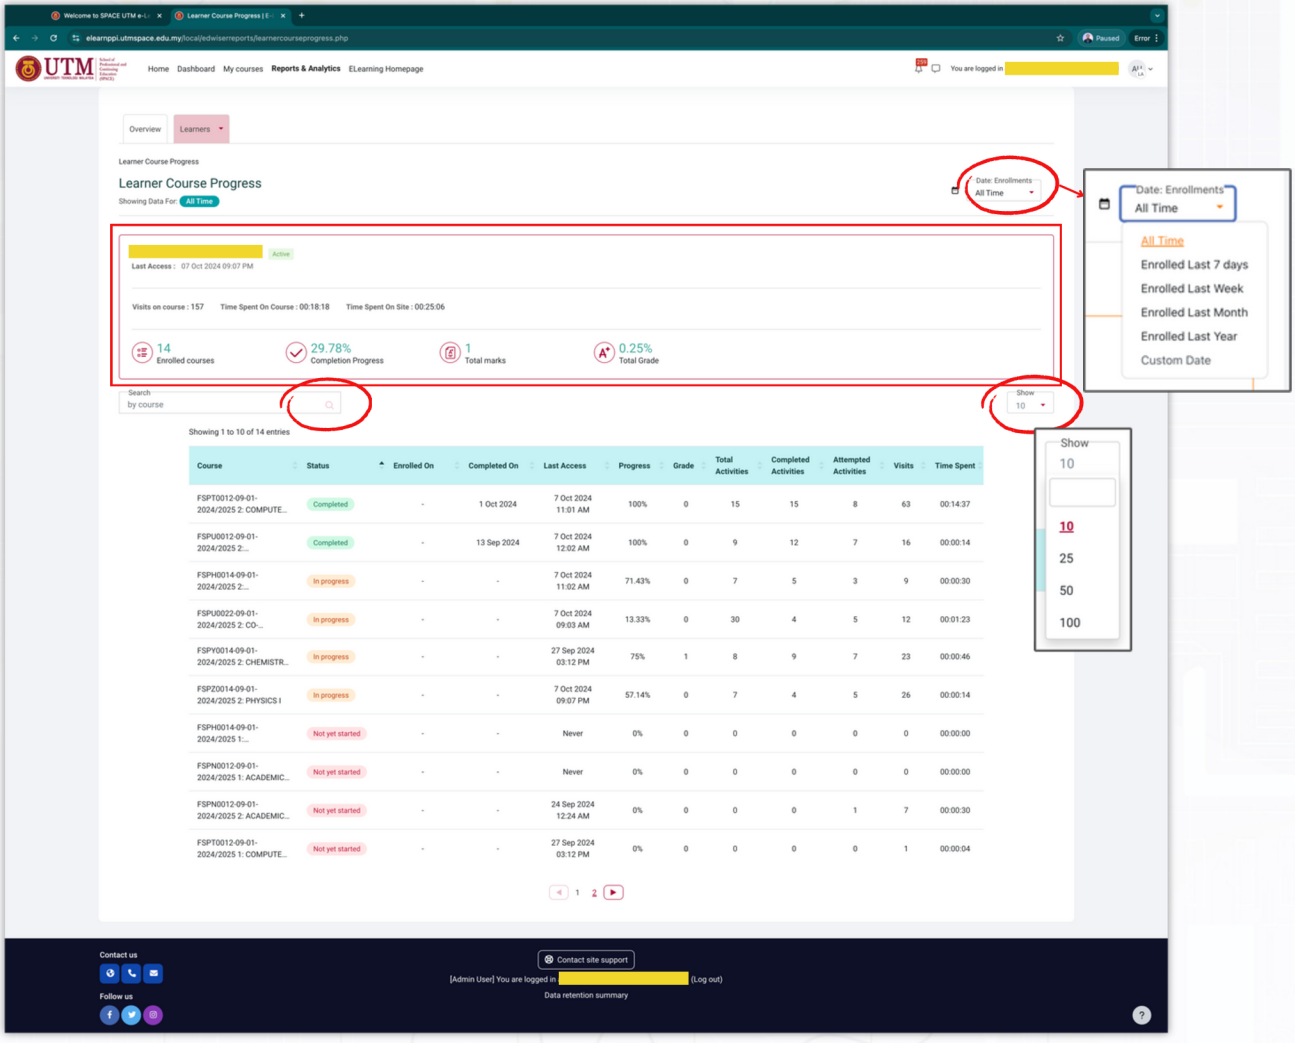

Learner's Time Spent On Site

The summary report is displayed in a graph.

Learner's Course Progress

The progress report is displayed in a bar chart.

LEARNERS > LEARNER COURSE PROGRESS

This tab shows a detailed course progress view for all courses the user is enrolled in. It allows learners to track their progress across all enrolled courses. Users can click the available dropdown menu to filter the view based on their needs.
