COURSE SUMMARY

NUMBER OF CREDITS: 2
CLASS HOURS: 2 hrs x 14 Meetings
(28 hours)
PRE-REQUISITE:
UHLB1112 / MUET Band 4/5/6 or equivalent

The course focuses on developing writing skills via read-to-write tasks and prepares students for the demands of writing in a professional setting. this course will also develop students' ability to participate in a discussion and deliver an organised presentation.

PRE-REQUISITE:

- ✓ **IELTS** BAND 5.5 and above
- ✓ **TOEFL** Score 525 and above
- ✓ **TOEFL iBT** Score 60 and above
- ✓ **CEFR** Level B2

COURSE SYPNOSIS

The course focuses on developing writing skills via read-to- write tasks and prepares students for the demands of writing in a professional setting at B2 level. Students are given read-to- write tasks which will later be discussed and presented. By engaging in active learning activities, students will be able to gather information from different online and offline sources to compose a well-organised and coherent report. The students in this course will develop the ability to participate in a discussion and deliver an organised presentation with clearly developed points highlighting both main and supporting points.

COURSE LEARNING OUTCOME

CLO 1

Participate actively in a discussion, following it easily and contributing to it spontaneously, presenting a formal position convincingly and using the language sufficiently in responding to questions and comments fluently, accurately and effectively.

Assessment Method:

Group Discussion 15%

CLO 2

Compose a report based on information and ideas drawn from different sources and develop a systematic analysis of the problem and solution, highlighting important points and relevant supporting details.

Assessment Method:

Report Writing 40%

CLO 3

Use appropriate language when summarising and paraphrasing different sources as well as referencing and in-text citations.

Assessment Method:
